The financial risk of establishing business relationship with the above mentioned business association is very low. At the Hungarian market only 1.75 per cent of the companies are entitled to AA credit rating which represents excellent financial standing.

Bisnode is one of Europe's leading providers of digital business information. The qualification system of Bisnode considers hundreds of variables when establishing – on a statistical and professional basis – which companies are the most dependable. The most dependable companies of Hungary with which the conclusion of businesses carries the lowest risk are selected through the inspection of all business undertakings on the basis of international standards and by applying the country-specific peculiarities as well.

Budapest, 14.01.2015

A handwritten signature in blue ink, appearing to read 'J. Keleti', is written over a horizontal line.
